

L V Prasad Eye Institute

Clinical Fellowship in Ophthalmic Techniques

About LVPEI

L V Prasad Eye Institute (LVPEI), established in 1987, is a world-class eye health institute encompassing clinical care, education, research, rehabilitation, eye banking and high impact rural eye care. A World Health Organization(WHO) collaborating centre for the prevention of blindness, the Institute offers comprehensive patient care, sight enhancement and rehabilitation services and high-impact rural eye health programs. It also pursues cutting edge research and offers training for various eye care professionals and administrative personnel.

LVPEI's Kallam Anji Reddy campus at Hyderabad, a Centre of Excellence, is complemented by three Tertiary Centres – MTC campus in Bhubaneswar, GMR Varalakshmi campus in Visakhapatnam and the Kode Venkatadri Chowdary campus in Vijayawada.

Education at LVPEI

From its very inception, training has been a key part of LVPEI's activities. Training programs are offered for personnel at all levels of the eye care service delivery chain: post doctoral ophthalmology fellows and practicing ophthalmologists, optometrists, ophthalmic technicians, nurses, nursing assistants, support staff and eye care administrators.

Education at LVPEI has three main objectives:

- To upgrade the skills of practicing eye care professionals
- To provide opportunities to keep abreast of developments in the field of vision science and eye care service delivery
- To equip new entrants to the ophthalmic/optometric field with appropriate skills and knowledge

Clinical Fellowship in Ophthalmic Techniques

Objective: To offer practical-based clinical training that enhances the comprehensive and sub-specialty eye examination skills of ophthalmic personnel
