

# Eye-PEP 2010

Postgraduate  
Education Program in  
Ophthalmology

LV Prasad Eye Institute  
Hyderabad

September 21-26, 2010

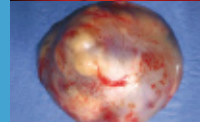

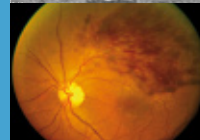

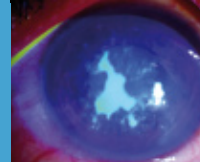

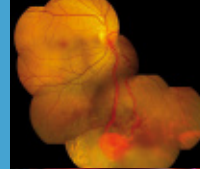

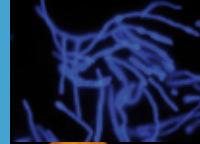

*Catalyst for Change*

Eye-PEP (PEP = Postgraduate Education Program), an LVPEI educational initiative, is specifically aimed at postgraduate students in Ophthalmology. The 6-day program will include topics covering the entire spectrum of basic and clinical ophthalmology taught by experienced faculty who are masters in their chosen areas of interest.

The curriculum has been designed with a lot of care to help empower the participant with the necessary skill set, not only to get the best out of the postgraduate training program as an intermediate goal, but also to finally become a competent and a complete ophthalmologist.

We look forward to seeing you and interacting with you at Eye-PEP 2010!

Prashant Garg, MD  
Director, Education

Santosh G Honavar, MD, FACS  
Organizing Secretary
