

# **RUBBING** Your Eyes

**Feels Good, Right?**

**But do you know what  
can happen?**

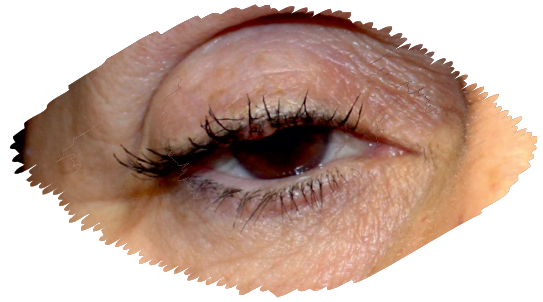

**Eye infection & inflammation**

**Corneal scarring & thinning**

**Bursting of eye blood vessels**

**Droopy eyelids**

**Dark circles**

**Keratoconus**

## **What you could do**

**Rinse your eyes with cool water**

**Apply warm compress to your eyes**

**For prolonged irritation, consult your doctor**

**LV Prasad Eye Institute**
