Terms & Reference

Responsibility of the Occupies

1. Will obtain authorization from **Andhra Pradesh Pollution Control Board**.
2. To take all steps to ensure that the waste is handled without adverse effects to human health and environment.
3. To segregate waste at the point of generation in accordance with Schedule – I of **BMW (Management & Handling) Rules** and in compliance with standards prescribed.
4. To establish secured waste collection site for final disposal to the Common Waste Treatment Facility.
5. Furnish Annual Report regarding generation, collection, Storage, transportation and disposal of Bio – Medical Waste in the prescribed format.
6. Designated person to interact with the Common Waste Treatment Facility and the **A.P.P.C.B.**
7. Will disinfect sharps, mutilate them and hand them over in Puncture Proof Containers.

Service to be provided by the Common Waste Treatment Facility

1. Schedule the field visits for collecting the waste in consultation with the hospital.
2. The Common Bio – Medical Waste Treatment Facility will collect the segregated Bio – Medical Waste from the identified locations at the hospital.
3. Segregated waste will be transported in closed container Vehicle to the CWTF.
4. Appropriate treatment and shredding of segregated waste will be undertaken at the centralized facility as per Schedule – 1 of the rules.
5. Testing of treated wastes to ensure safety to the environment will also be done at the common facility.
6. The collected waste material sent by the hospital may be checked and suggestions may be given for improvement in the segregation of the waste.
7. Arrangement for the supply of waste collection bags other consumables for Bio-Medical Waste Management will be provided by the common waste Treatment facility if, desired at cost.
8. To give appropriate training to hospital personnel on Bio – Medical Waste (Management & Handling) Rules at the request of the HCE.
9. Submission of annual reports to the prescribed authority.

Joint Procedure Order

The client and the contractor will jointly prepare a detailed procedure order covering the working methodology to be adopted during the terms of contract and the same will become approach paper for the contract.

1. **Maridi** will not pick up **BMW** from client premises if it is not segregated, packed in color coded bags as per **BMW** Rules or mixed with general waste.
2. In case of failure to collect the **BMW** from the 'HCE' for more than 48 hours from the designated time excepts Sundays. HCE will inform the same to 'Maridi' who would immediately take suitable action.
3. 'Maridi' will collect a user charge of Rs.150 /- per Bed / per Month as agreed for collection, transportation, treatment and final disposal of Bio – Medical Waste. This Price Will be Increased every financial Year @ 10% On YOY basis from the date of this agreement. The bill will be raised with applicable Tax.
4. HCE has 54 number of Beds.
5. **Maridi** will be issued a proof of waste collection by way of a slip detailing the number of bags collected per segregation code on monthly basis.

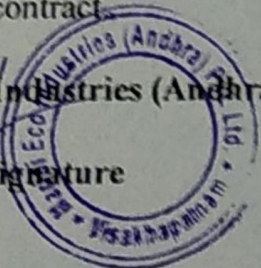

6. HCE will ensure timely payment to MARIDI through their cheque Or D.D The amount should be paid by cheque before 5th every month. In case of non- receipt of payment on the agreed date from the HCE, than Maridi will stop the collection of waste immediately with intimation to Andhra Pradesh State pollution control Board. The Delayed payments will be collected with an interest of 18% per annum
7. This arrangement is entered into on the express understanding that Maridi will maintain and run the facilities and collect, transport and treat the waste at their plant strictly in accordance with the consent of the Andhra Pradesh State Pollution Control Board and it shall be their responsibility to obtain the consent and keep the same always current. Further it is understood that the HCE is in no way responsible for acts of omission and commission on the part of Maridi Eco Industries (Andhra) Pvt Ltd., even though the parties are dealing on a principal agency relationship.
8. In case of violation of any of the agree conditions of this agreement by either side this arrangement may be terminated by issue of notice two months in advance by either party for terminating their respective obligations.
9. In case of any dispute arising out of this agreement the same shall, as far as possible, be settled between the parties by mutual negotiations. Where such negotiations fail, the dispute shall be referred to arbitration in consonance with the provisions of the Arbitration and conciliation Act, 1996 or any amendments thereof. The Arbitration shall be by a sole arbitrator shall be final and binding on both the parties the seat of arbitration shall be Visakhapatnam.

FORCE MAJEUR

In case Maridi / HCE are unable to honor their commitments under this arrangement due to conditions beyond their control like war / natural calamities like earthquakes, floods, etc., / strikes / law & order problems / severe break downs / Government laws etc., or such events, it will be deemed that they did not violate the terms of this contract.
