

Best of Inherited Retinal Diseases

HOPE IN EVERY HELIX

November 23, 2025

4 pm - 9 pm IST

PROGRAM SCHEDULE

TIME (PM IST)	SPEAKER		INSTITUTE	TALK
4:00 – 4:05	Welcome Address by Dr. Vivek Dave- Head, Anant Bajaj Retina Institute, LV Prasad Eye Institute			
Session 1 – Electrophysiological Aspects of IRD (60 mins) Moderators: Dr. Srikanta Kumar Padhy & Dr. Deepika C Parameswarrapa				
4:05 – 4:20	Omar Mahroo	UCL / Moorfields Eye Hospital, UK	CSNB: New insights from electrophysiology & imaging	
4:20 – 4:35	Oliver Marmoy	Great Ormond Street Hospital, UK	Pediatric electrophysiology: practical challenges & solutions	
4:35 – 4:50	Anthony Robson	UCL / Moorfields Eye Hospital, UK	ERG in RHO-associated Retinitis Pigmentosa	
4:50 – 5:05	Jasleen Jolly	Jolly Vision Science, UK	Full field stimulus test in IRD practice	
Keynote Lecture				
5:10 – 5:30	Maarten Kamermans	Netherlands Institute for Neuroscience, NL	Retinal mechanisms of night vision, nystagmus, low visual acuity, and myopia in CSNB	
Session 2 – Imaging and Genetics (75 mins) Moderators: Dr. Goura Chattanavar & Dr. Sumant Sharma				
5:35 – 5:50	Fred Chen	Lions Eye Institute / UWA, Australia	ABCA4 vs PRPH2: imaging dilemmas and diagnostic clues	
5:50 – 6:05	Sai Prashanti	LV Prasad Eye Institute, Hyderabad, India	Indian Vitelliform Study Group results	
6:05 – 6:20	Maria Vittoria Cicinelli	San Raffaele University, Milan, Italy	Inherited or acquired? Diagnostic challenges in retinal disorders	
6:20 – 6:35	Mariya Moosajee	UCL / Moorfields Eye Hospital, UK	How to interpret reports with multiple gene variants	
6:35 – 6:50	Ajoy Vincent	The Hospital for Sick Children, Toronto, Canada	When a Negative Genetic Test Doesn’t Rule Out IRD	
Session 3 – Therapy in IRD (50 mins) Moderator: Dr. Brijesh Takkar and Dr Srikanta Kumar Padhy				
6:55 – 7:15	Artur Cideciyan	University of Pennsylvania, USA	Antisense vs gene replacement therapy: evolving approaches	
7:15 – 7:30	Arkasubhra Ghosh	GROW Research Laboratory, India	Current Perspectives of Gene Therapy in India	
7:30 – 7:45	Rajani Battu	Eyestem Research Lab, India	Cell therapies for IRDs- Current Status	
Session 4 – Challenging Cases in IRD Diagnosis (45 mins) Moderator: Dr Sai Prashanti and Dr Deepika C Parameswarrapa Expert Panelists: Dr Tapas Ranjan Padhi (India), Prof. Omar Mahroo (UK), Prof. Anthony Robson (UK), Dr. Ajoy Vincent (Canada) 4 min presentation + 4 min discussion each				
8:00 – 8:08	Vinod Kumar	AIIMS, New Delhi, India	Case Presentation 1	
8:09 – 8:17	Dhanashree Ratra	Sankara Nethralaya, Chennai, India	Case Presentation 2	
8:18 – 8:26	Parveen Sen	Dr Agarwal Eye Hospital, Chandigarh	Case Presentation 3	
8:27 – 8:35	Poornachandra B	Narayana Nethralaya, Bangalore, India	Case Presentation 4	
8:36 – 8:44	Sumant Sharma	LV Prasad Eye Institute, Hyderabad, India	Case Presentation 5	
8:45	Vote of Thanks by Dr. Subhadra Jalali, Anant Bajaj Retina Institute, L V Prasad Eye Institute
